THE

PREFACE.

Intended to have Publish'd an Appendix with this Index, but not having leisure to finish it, and being sensible how much a general Table is wanting to render this Catalogue more Useful, I resolv'd to Print it alone, hoping it will not only be acceptable to those Gentlemen who have already Bought the two Volumes, but also to all others who shall Buy the remaining part of the Impression, which is not 200. And for a farther Satis-

to both, I think it not improper to acquaint them that most of the MOOKS contain'd in the 1st, 2d, 3d, 5th, 6th, and 7th Alphabets, with several in the 4th, are wanting in the Oxford Catalogue.

BOOKS Printed for, and Sold by John Hartley, over against Gray's-Inn in Holbourn; where any Person may have ready Money for any Parcel, or Study of Books.

A Differtation upon the Epistles of Phalaris, with an Answer to the Objection of the Honourable Charles Boyle, Esquire. By Richard Bentley, D. D. Master of Trinity College Cambridge, Chaplain in Ordinary, and Library-

keeper to his Majesty, 8vo. Price 6 s.

The History and Fare of Sacrilege, discover'd by Examples of Scripture, of Heathens, and of Christians, from the beginning of the World continually to this Day. By Sir Henry Spelman Kt. Wrote in the Year 1632. A Treatise omitted in the late Edition of his Posthumous Works, and now Publish'd for the Terrour of Evil Doers. To which is added, an Historical Account of the beginners of a Monastick Life in Asia, Africa, and Europe. By Sir Roger Twisden, Kt. and Baronet. Price 4s.
